Your inmate: Timothy O'Neil A.K.A. Timothy O'Neal

Dear Sir or Madam:

This is a public records request asking that the Clayton County Sheriff's Office and Jail provide copies of the following records within their possession:

1. The complete inmate file for Mr. Timothy O'Neil (A.K.A. Timothy O'Neal), arrested and booked into the Clayton County Jail on or about October 8, 2019 through October 25, 2019. Please include all documents, grievances, kiosk requests, incident reports, investigative reports, EMS reports, interviews statements, video recordings, audio recordings, emails, text messages, photographs or communications of any kind pertaining to Mr. O'Neil, including any records associated with any use(s) of force or disciplinary actions against Mr. O'Neil.
2. Any communications, including emails, text messages, written statements, and oral statements between employees of the Clayton County Sheriff's Office regarding Mr. O'Neil.
3. Any and all documents or records reflecting any insurance policy which may cover an employee of the Clayton County Sheriff's Office and Jail, including the declarations page and policy itself.

This request is made pursuant to O.C.G.A. Sec. 50-18-70, et seq., and the Georgia Supreme Court's ruling in *Napper v. Georgia Television Co.*, 257 Ga. 156, 356 S.E.2d 640 (1987). For the purpose of this request, "records" includes all information which is in possession of your agency, including all documents, papers, letters, maps, books, audio recordings or tapes, video recordings or tapes, photographs, computer based or generated information, data, data fields, or similar material prepared and maintained or received by your agency or by a private person or entity in the performance of a service or function for or on behalf of your agency or documents that have been transferred to a private person or entity by your agency for storage or future governmental use. However, to the extent that there is a CD, DVD, or other digital record of the requested records, we ask that the records be provided on a CD, DVD, or other digital recording medium to minimize cost and promote ease of copying and access by both parties.

(pg. 2)

If this request is denied in whole or in part, we ask that you cite in writing the specific statutory exemption upon which you have relied, as required by law. We also ask that you release all separate portions of otherwise exempt material. Please waive any costs associated with this request, or first inform us about such costs as required by Georgia law. We reserve the right to demand inspection of requested documents should costs be excessive or impracticable.

This letter is further being sent to you for the purpose of compelling you to preserve evidence that will be pertinent to allegations of liability and damages in a lawsuit against agents of the Clayton County Sheriff's Office and Jail, O.C.G.A. § 24-14-22. Loss, destruction, or other spoliation of records requested in this letter is prohibited and may subject you to severe sanctions pursuant to Georgia law. See *Chapman v. Auto Owners Ins. Co.*, 220 Ga. App. 539, 469 S.E.2d 783 (1996). Please note that the use of "you" or "your" below refers to the Clayton County Sheriff's Office and Jail, as well as any agents of the Clayton County Sheriff's Office and Jail and any third party you may utilize to process, store or otherwise handle any identified documents or data. We specifically request that the records requested in this letter be maintained and preserved and not be destroyed, modified, altered, repaired or changed in any manner.

As you know, O.C.G.A. § 50-18-71(b)(1)(A) requires a response by you within three business days of your receipt of this letter and O.C.G.A. §§ 50-18-73 and 50-18-74 provide sanctions for non-compliance.

Please email me at the address below if you have any questions. I appreciate your assistance in this matter.

Good morning supervisors,

This inmate was booked in 10/09/2019 @ 0022hrs by clerk Evans.

This inmate was placed in MED inmate status instead of MAX.

Ms. Evans has been trained by me in Classifications for two weeks or so before returning back to the jail on an earlier date.

Ms. Evans is aware that all major case crimes are to be booked in as MAX and has a copy of those charges.

This did not take place in this booking process.

Second:

No arrest information was put in the computer for this inmate ?

Third:

The inmate status is showing PTM instead of PTF..?

Fourth:

Under the update screen the Payment Specification has been left out blank again.

Please address why this is continually to happen during the booking process.

Thank you
